

Autotransformers (incl. used), other HV/MV/LV

transformers, voltage and current transformers (HV, MV, LV)

- SF6 busbar systems
- high-voltage inputs
- circuit breakers and disconnectors, surge arresters

Small electric equipment

- Substation compressors
- Arc extinguishing chambers
- Disconnecter support columns
- Distributing current retractable equipment
- Insulators, fuses
- Wires, cables

Tools, materials

- Electrical engineering laboratories
- Chainsaws
- Armature, traverses, clamps
- Reinforced concrete supports
- Satellite phones, telemechanics and radio communication

Transport and vehicles

- Autotowers
- Mini-excavators
- Mobile cranes
- Cargo lifting mechanisms
- Cargo vehicles
- Passenger vehicles

Power backup and fuels

- Power stations
- Batteries and UPS devices
- Diesel generators
- Diesel and gasoline
- Transformer oil
